

SFP-10LC-1310 SM

FES 1G SFP Module

Technical Specifications:

Header :

Brand : FES

Product Line : Forever Engineering Systems Pvt. Ltd.

Networking

- o Type :SFP transceiver module
- o Form Factor :Plug-in module
- o Connectivity Technology :Wired
- o Cabling Type :Ethernet 1GBase-LC
- o Data Link Protocol :1 Gigabit Ethernet
- o Data Transfer Rate :1 Gbps
- o Optical Wave Length/component :1310 nm
- o Max Transfer Distance :10
- o Fibre Cable Type : Single Mode Fiber
- o Core Size (Micron) : 0.652
- o Tx Power (dBm) : -9.5
- o Receiver Sensitivity (dBm) : -20

Interface Provided

- o LC interfaces

Slot Required

- o 1 x SFP+

Environmental Parameters

- o Operating Temperature : -5 to 85 °C
- o Humidity Range Operating :10 - 85%

Compatibility

- o ALL MAKES Supported
