

SFP-10G-LR-S

FES 10G SFP Module

Technical Specifications:

Header :

Brand : FES

Product Line : Forever Engineering Systems Pvt. Ltd.

Networking

- o Type :SFP+ transceiver module
- o Form Factor :Plug-in module
- o Connectivity Technology :Wired
- o Cabling Type :Ethernet 10GBase-LR-S
- o Data Link Protocol :10 Gigabit Ethernet
- o Data Transfer Rate :10 GBps
- o Optical Wave Length/component:1310 nm
- o Max Transfer Distance :10
- o Fibre Cable Type : Single Mode Fiber
- o Core Size (Micron) : 0.652
- o Tx Power (dBm) : 0.5
- o Receiver Sensitivity (dBm) : 0.5

Interface Provided

- o 10GBASE XENPAK, 10GBASE X2, and 10GBASE XFP interfaces

Slot Required

- o 1 x SFP+

Environmental Parameters

- o Operating Temperature : 0 to 70°C
- o Humidity Range Operating :10 - 85%

Compatibility

- o ALL MAKES Supported
